1 ▼ There's plenty of room. Patriots walking all over, but today was small compared to previous rallies. We have 100 National Guard in my hotel. Total 500 coming today. Tomorrow will be WILD. We walked to and from Freedom Plaza and felt completely safe. Police in every nook and cranny. We went to Whole Foods this morning. Don't let fear mongers affect you.

15 From what I'm seeing it looks like its all going in to the ellipse - the big grassed area on the mall side of the white house with the national christmas tree.

7 In DC, in the ellipse they're setting up a stage and a little gated area. Its put on my trumpmarch.com you can register to get in there I guess, lots of SS police around. They said trump is gonna speak there but idk about that. Also heard stop the steal rally will be at the capitol

3 Sorry you're not here. Hang your MAGA banner over your door and stand by.

▼ Trump is pissed. All of the truth is coming. Election Fraud, Cabal, UFOS, JFK, Seth Rich. All of the truth is coming.

Wherever you are people will be losing their shit as he red pills the masses. They're gonna come to your MAGA banner begging to convert. Begging for forgiveness.

8 Woke up early myself, to take the pulse of the Internet concerning the 6th and could not find one anywhere but here, by and large.

They've shot the story in the head, rolled it into a carpet and dropped it into the East River of New Yo 📈 .

3 ▼ Y'all need to stop telegraphing your locations/movements.

Aside from people bringing the kids and elderly with them, total disregard for OPSEC is the biggest barrier we have to getting anything done this week.
